

Project Information

Project Background

The Casey Road Pedestrian and Bicycle Safety Improvements, Phase 2 project is a locally administered, federal aid project sponsored by the Town of Amherst and is included in the Transportation Alternative Program (TAP). The Federal Highway Administration (FHWA), through the New York State Department of Transportation (NYSDOT), has made funding available to improve pedestrian and bicycle safety along a 0.65 mile portion of Casey Road in the Town of Amherst.

The project will add ADA compliant sidewalks, curb ramps and crosswalks on the south side of Casey Road between Paradise Road and Transit Road. This project will complement the Phase 1 project and provide a continuous sidewalk along Casey Road from Casey Middle School to Transit Road. It also includes the addition of a widened shoulder, or a separate bike lane, on Casey Road between Paradise and Transit Roads to accommodate bicyclists. Finally, the scope includes a shared use path from Casey Road into Paradise Park, connecting Casey Road with Red Wing Court.

Why is this project needed?

- ☑ Improve continuity of existing sidewalks
- ☑ Inclusion of ADA compliant facilities
- ☑ Facilitate improved pedestrian and bicycle safety throughout this corridor

What are the objectives of the project?

- ☑ Incorporate appropriate design features to accommodate bicycle and pedestrian access.
- ☑ Provide improved access to and through Paradise Park.
- ☑ Evaluate and implement ADA compliant features where needed.

- ☑ Provide improvements in a cost-effective manner with little to no Right of Way impact.

What are the proposed improvements?

- ☑ Installation of new sidewalks and ramps to meet ADA Standards.
- ☑ Possible enhanced-visibility, mid-block crossing near Paradise Park.
- ☑ Installation of a shared use path along Paradise Park.
- ☑ Widened and improved roadway shoulder.

What alternative is being considered?

- ☑ Alternative 1: Widened Pavement with Bicycle Lane and Sidewalk (South side of Casey), and New Shared Use Path along Paradise Park.
