# The Northwest Amherst Community Center

A 29,000 square foot facility to be configured to provide:

The **West Portion** of the facility will provide space for the Amherst Recreation after school program and other possible community services. The space will also provide office space for the community center staff.

The **Center Portion** of the facility will offer recreation/ athletic facilities including basketball, pickleball, volleyball and a fitness room.

The **East Portion** of the facility will showcase a large community meeting space suitable for gatherings and larger events. It will also feature two classrooms/ smaller meeting rooms as well as office space to support different community service providers.

## Services Input Task Force

- Meets **Wednesday, June 3rd 6:30-7:30** in the Northwest Amherst Community Center.
- Opportunity for all residents to offer their thoughts and input on services to benefit all community members.
